Thank you to everyone who registered National Night Out events. APD's Foothills Area Command team will be out tomorrow night trying to visit each event to meet community members and thank them for their support.

The Foothills Area Command has 45 National Night Out events and 50 officers total. We will do our very best to get to each event, but please understand if any events have to be skipped in order to answer 911 and 242-COPS calls coming in tomorrow night during National Night Out.
